In addition to our rounds listed above there are opportunities to apply for career awards with our funding partners, with whom we support a [variety of fellowships](#).

For future dates on our joint-funding opportunities with the [Medical Research Council](#), [Medical Research Council](#), [NIHR](#), [International Society of Nephrology](#), [Daphne Jackson Trust](#) and Chief Scientist Office Scotland, please visit our partners individual websites.

We are open to co-funding research with Diabetes UK, into the relationship between diabetes and kidney disease, to prevent people with diabetes developing kidney disease and to improve current and develop new treatments. Read our [joint research statement](#) for more information.
